THE SUTTONS OF CAROLINE COUNTY, VIRGINIA

BY

T. DIX SUTTON

RICHMOND, VA.

PREFACE

1204340

The Suttons were among the first settlers in America. Martyn Sutton was a member of the Colony which was established on Roanoke Island under Governor White in 1587. He, of course, disappeared with the other members of the "lost Colony".

Nickolas Sutton sailed from London to Virginia in 1622. He was killed by the Indians at Chaplain Choice. There was a William Sutton at James Citie on February 16th, 1623.

A number of Suttons came to Virginia as indentured servants. The records of the Virginia Land Office from 1623 to 1666 shows the following immigrants with the names of the persons to whom they were indentured and the places where they settled:

Sutton,	Richard,	1638	by	Thomas Starpe	James City

On October 11, 1640, Christopher Abbott, of Chiskeacke, conveyed forty acres of land "over against the great swamp" in York County to William Sutton. John Sutton, of this same county, executed his bond to Giles Tavernor on May 15th, 1646.

The records of immigrants who sailed from Bristol to America for the period 1654-1663 shows that William Sutton, of Lurgessor, came to Virginia. For the period 1663-1679, Pervis Sutton, Richard Sutton, James Sutton, Francis Sutton, another Richard Sutton and Walter Sutton sailed from the same port.

John Sutton and his wife, Elizabeth, were living in Christ Church Parish, Middlesex County, in 1678. They had a son, Christopher, born on February 27th of that year and another son, John, born April 6, 1684. Christopher left numerous descendants. There is no record of descendants of John.

Another large family of Suttons settled in Northumberland and Westmoreland Counties. Richard Sutton patented land in Westmoreland County November 27th, 1707, and John Sutton obtained a grant in Northumberland County February 21, 1722.

Following the Quaker persecution in Massachusetts, George Sutton and his wife, Sarah, moved to Perquimans County in the Colony of Carolina. He died there April 12, 1669, leaving two sons, Nathaniel and Joseph. They left many descendants who have spread out over North Carolina and Virginia.

The many Suttons who came to Virginia have made it difficult to accurately trace the ancestry of any of those living today. The writer has endeavored to gather information about the descendants of John Sutton who, in 1711, patented land in what is now known as Caroline County. Where this John Sutton came from or who his ancestors were has not been determined. He was evidently one of the gentry as all records refer to him and his descendants as such.

Tradition has it that four brothers came over from England. They are supposed to have been connected with the Manners-Suttons and come from Oxfordshire. This tradition is found throughout both Virginia and North Carolina, with some minor variations. The writer, however, has not been able to discover any evidence to substantiate the stories.

The writer has included herein the names of as many descendants of John Sutton of Caroline as he has been able to find to the present generation. If there are any omissions or errors advice to the writer will be appreciated.

In this genealogy each member of the family has been given a number preceded by a letter. The letter signifies the generation, the number being an arbitrary assignment. John Sutton being the oldest known ancestor is designated as A-1, his children,

John and William are numbered B-1 and B-2 respectively. The statement about each individual contains the name of his Sutton parent and the names of his children. The number of both parents and children are also given so that when, by the use of the index, a particular name is found then by following the numerical designation it is possible to ascertain both the ancestors and descendants.

Unless otherwise designated, all places mentioned are in Virginia.

GENEALOGY

JOHN SUTTON (**A 1**), b. prior to 1688, d. Caroline County 1731, md. Jane ———————— and had John (B1) and William (B2). The earliest record of John Sutton was that he patented 147 acres of land in King William County on December 19, 1711. On April 26, 1712, together with Larkin Chew, Richard Buckner and Joseph Chew, he patented two tracts of 400 acres each in the same county on one of the branches of the Mattaponi River. From that time until his death in 1731 he either individually or in partnership with others patented approximately 4,500 acres of land. Much of this land was granted him by the crown for the importation of numerous indentured servants. The land was located in Hanover and King William Counties. Caroline was formed in 1728 in part from King William. With the formation of Spotsylvania County John Sutton's property became divided among the four counties with his residence in Caroline.

We do not know the date of his birth, but it must have been prior to 1688 because at the time of his death he had two sons, William and John, who qualified as his executors and must have been at least 21 years of age. The exact date of his death is not known but the Spotsylvania Order Book, page 41, dated May 5, 1731, carries the following entry: "In the action of trespass upon the case between John Sutton, gent. plt., and William B. Nichesson, def., for 530 pounds of tobacco due by account, the plt. being dead, ordered that the suit be dismissed." The executors qualified in Caroline in 1732.

JOHN SUTTON (**B 1**), b. prior to 1711, d. Caroline 1785, son of John Sutton (A1), md. Sarah ———————— and had William (C1), John (C2), James (C3), Stephen (C4) and Joseph (C5).

He was Church Warden, St. Margaret's Parish in 1741. His will was probated in Caroline in 1785. He was a Justice in Caroline in 1758, see O. B., 1755-58, page 39.

WILLIAM SUTTON (**B 2**), b. prior to 1711, son of John Sutton (A1), d. 1735, mentioned Caroline O. B. 1, page 308, as overseer of roads.

WILLIAM SUTTON (**C 1**), son of John Sutton (B1), md. Sarah Carter and had Elizabeth (Bettie) (D1), Sarah Dudley (D2), John Carter (D3), Norborne Elzy (D4) and Lucy Carter (D5). Died 1796.

Sarah Carter was a daughter of Captain John Carter by his first wife, a Miss Armistead. J. L. Miller in "Descendants of Captain Thomas Carter of Lancaster County" says Sarah was a daughter of Captain John and Elizabeth Carter, so perhaps Miss Armistead's given name was Elizabeth. William Sutton's will was probated in Caroline April 12, 1797. Suit was filed in the same county on February 23, 1799, by Sarah Sutton and John Sutton, Executor, to partition the land of William Sutton, deceased. He was appointed Ensign to Capt. James Johnson by Caroline Committee of Safety, March 15, 1776.

JOHN SUTTON (**C 2**), son of John Sutton (B1), b. about 1742, d. after 1832. A copy of his will is on file in the Pension Office, Washington, D. C.

U. S. Senate Document 541, Pension Roll Vol. 11, page 124, first session, 23rd Congress, Virginia Section, shows John Sutton, paymaster, age 90, placed on pension roll June 19, 1832. Allowed $320 annually, received $960 for services with Virginia Continentals, enlisted from Caroline County. He served with the 1st Va. Reg't. on Continental Establishment Nov. 7, 1776, to May, 1779, as Paymaster with the rank of Captain Lieutenant. He was paymaster in the Virginia Militia 1780-81.

JAMES SUTTON (**C 3**), son of John Sutton (B1), b. about 1750, d. October 8, 1795, md. first, Fanney Powell and had Mary Bledsoe (D6), md. second, November 4, 1781, Elizabeth Taylor and had James Taylor (D7), Francis Valville (D8), William (D9), John (D10), Sophia Jane (D11), Rebecca Chamberlayne (D12).

Fanney Powell dau. of Capt. Ambrose Powell and Mary Bledsoe. Elizabeth Taylor dau. of Col. Francis Taylor and Ann Craddock. She married a second time, John S. Gatewood, and died in 1815.

James Sutton's will dated September 25, 1794, probated in Caroline December 8, 1795. Reported to have been a Second Lt. Major in American Revolution. Recommended as Second Lieut. Caroline Militia Aug. 14, 1777, First Lieut. Jan. 14, 1779, Capt. May 10, 1781. See McAlister's Va. Militia.

STEPHEN SUTTON (**C 4**), son of John Sutton (B1), b. prior to 1759. Residence called Chesterfield, in Caroline.

JOSEPH SUTTON (**C 5**), son of John Sutton (B1), b. August 22, 1764, d. February 6, 1823, md. Mar. 3, 1785, Judith Carter and had Stephen (D14), Robert Carter (D15), Maria Chew (D16), and John Orville (D17).

Judith Carter was dau. of Capt. John Carter by his second wife Hannah Chew, and was half sister to Sarah Carter, wife of William Sutton (C1). She was born Mar. 27, 1769, and died Mar. 2, 1827. Her mother died at the home of Joseph Sutton, Jan. 15, 1821.
